

Dear Local Business,

Metro FC is a Dayton area youth soccer program that is home to over 800 youth soccer players. Our program involves children from all over the Dayton area and neighboring suburbs. Many of our local athletes go on to play at higher levels such as college programs and semi-professional and professional teams. Our goal is to provide our children an opportunity to participate in a level of competition that best suits their ability and desire.

As competition costs rise, local youth sports organizations are constantly searching for ways to help offset club costs for families within the program. One way is to sponsor a tournament or college recruiting showcase. The Metro FC program will be hosting their third College Recruiting Showcase. This showcase has accepted teams from Cleveland, Columbus, Cincinnati, Indianapolis, Tennessee, Kentucky, Michigan and Canada. The college showcase will be held on November 10-12, 2017. Both boys and girls showcases will be held at Wright State University and Beaver Creek High School and Athletes in Action, Miami Valley School and other area turf fields. Over 60 youth soccer teams will be participating in both events.

All out of area participants will be staying at the Holiday-Inn on Colonel Glenn Highway. As a result, we are approaching local businesses for support of our event through our sponsorship program. The amount of sponsorships collected will go solely to offset the costs of running this event. Sponsorships will be good from acceptance date through December 31st. We believe that there will be a tremendous amount of business generated in the area through our showcase and we are counting on your support to help us achieve our goals.

Please review our sponsorship levels and please let me know if you are interested in participating.

Sincerely,

Kevin Arcuri
